T&C's - Only a four minute read. Thanks.

Established 1983 and Incorporated in 1999

Just like any local sports club you would normally sign in after showing some form of photo ID and agree to the terms, conditions and standards of the venue. We are similar and have a level between that of a Club Member and that of a pre-booked vouched for guest at any event.

Below are the standards and conditions which form part of this document. You may be interested in our **Non Disclosure Agreement {NDA}**. Your personal safety and identity protection are paramount at **TCn**.

Many enjoying the 'Minimal Dress or Less' standard have sensitive positions in our community – or simply wish their apparel preference to remain privileged information. We get that..!! Thus the **NDA**. One day we may understand why this humble and harmless lifestyle is not a career enhancing part of a résumé.

To become a VERIFIED GUEST you will send us a copy of your photo ID. To protect your personal identifying data we ask you to cover the serial number of that Photo ID. See the example below. This is the ID of the 2020 president of TCn.

Delete your license number to **ALWAYS** guard against identity theft

Your privacy is important to both of us.

Your physical address, a contact number and/or email is also required. That way we can keep in touch regarding events or functions in your region.

Every person is a REAL person. However you are permitted to choose another name to protect your identity. Every such person is called 'Chris'. It is gender neutral.

You will then be issued with an electronic **VERIFIED GUEST** which you can keep on your electronic devices. It looks like this.

BENEFITS:-

You can enter our venues, functions and '**Safer Places**' with less bother. This is helpful in other regions of Australia or assists with entry of other **Special Interest Groups {SIG's}** within the **Naturist Lifestyle**. {such as a bushwalking, food and wine or an age appropriate group etc. etc. etc.}

PENDING MEMBER:-

Every person who is a Verified Guest will be considered a Pending Member of a Regional or **SIG**

sub-branch or affiliate club to ensure they have a strong point of contact with the club.

VOLUNTEERING:- You may be asked, from time to time, to assist with the setting up of a venue, the transportation of elders or disabled people, cleaning duty or other assistance. You are under no obligation – however it is important you understand we may approach you for, or you may make the first move and offer, your time at, or prior to, an event.

SAFETY:-

Our 'Safer Places' policy and guidelines can ensure you are less exposed to an unpleasant incident or person. We have all heard horror stories. It is our goal to minimize this sort of disturbing experience for those who are exploring the Naturist Lifestyle as well as those who are shy, cautious and even those of you who are totally relaxed with the Naturist Lifestyle.

PERMISSIONS AND NON DISCLOSURE AGREEMENT:- **{NDA} IMPORTANT...**

You are permitted to speak positively of the existence and history of this Club, the type of activities and events for members, the behaviour standards expected and invite participation only to those whom you would vouch for.

You are NOT permitted to identify any club member by name, occupation, inference, title or in any manner.

Anything not mentioned in the paragraphs above is to be considered as 'not permitted'.

The following statements form part of the Terms and Conditions you must agree to prior to becoming a VERIFIED GUEST.

CODE OF BEHAVIOUR

The **Town and Country naturists. (TCn)** reflects the standards of the Australian Naturist Federation (ANF) and International Naturist Federation (INF).

how we fit together

We strongly support the Laws of Australian States and Territories in respect of harassment and public behaviour and will vigorously support these laws to their fullest. Laws of any State or Territory have precedence over this code of behaviour.

Furthermore, the **TCn Club** supports any ruling made by any Regional or "Niche Member" **TCn**, sub-branch, affiliate club, function manager, venue operator or committee representative in respect of behaviour of individuals, couples or groups whilst at their facilities or events.

The rights and safety of every person are vital in any clothes free environment.

The TCn Club will not condone sexual harassment or public sexual acts. These will have no place within the 'Naturist / Nude Lifestyle' and will not be tolerated.

Further to the comments above the **TCn Club** does not intrude into personal relationships, the acts of consenting adults in private or affectionate gestures within family units. **Family Friendly Values {FFV}** and behaviour should be shown at all **TCn** events. These are the **TCn Club** expectations.

UNACCEPTABLE BEHAVIOUR

Unacceptable behaviour is defined as persistent staring, stalking, following or crowding of an individuals personal space. It also includes other overt sexual acts or displays as well as any aggressive acts or threatening body language.

In the arena of electronic communications and Social Media – this would include contacting friends of a person in our lifestyle via that media. If you wish to make contact with a friend of the person you are friends with - ask your immediate friend for an express permission or to make the request for an introduction known to the recipient. Accept any 'yes' or 'no' reply with grace. **

PHOTOGRAPHY

Unauthorised photography and/or videoing by any means of vision capture of adults and minors by any person, other than the authorised photographer, will not be tolerated at **TCn** member events unless permission is obtained in advance from the subject. This includes the use of mobile phones as cameras. Expect a bandaid to be placed over the lens of your electronic devices.

Prior permission must be obtained from the adult who is to be photographed and, in respect of children; prior parental approval must be obtained. Permission must also be gained from any person who would be likely to be in the field of view and is recognisable.

It is incumbent on the photographer to be responsible in the choice of the photographic subject, angle, background etc. Anyone who is aware of a photographer taking less than acceptable photos is obliged to report that person to the event organiser/s and/or the appropriate authorities.

UNWELCOMED COMMUNICATIONS

Unwelcomed communications are defined as any unwanted advances, remarks, suggestions, propositions, gestures, threats, messages, SMS texts, ridicule or jokes of a crude or sexual nature. Persistent attempts to engage another person in clearly undesired conversation must be reported to the event organiser/s and/or the appropriate authorities. Unsolicited comments and/or gestures about a person's body are also considered unacceptable.

Electronic communication is covered under the prior heading "Unacceptable Behaviour" **

INAPPROPRIATE TOUCHING

Inappropriate touching is defined as unwelcome touching of another person's body.

The TCn club, associated social or niche groups / clubs, their members and guests are encouraged to maintain a relaxing family ambience by reporting, in a timely manner, firstly to the club, resort or social group. Statutory authorities may be informed of any persistent behaviour the TCn Club considers contrary to this code of behaviour. Legitimate complaints must be documented and investigated fully.

Requests for confidentiality will be respected. Any acts that are contrary to this code of behaviour as outlined above, may result in that person's removal from member events for a period of time, or expulsion, from the TCn Club, sub-branch or affiliate club.

Repeat offenders may have a considered review of any future applications to rejoin.
