

April 2026

Hello fellow naturists,
My name is Janet and I have just taken over the position of newsletter editor here at Town and Country naturists. The format will of necessity be changed as I am a person with my own ideas – I bet a few of you can relate to that concept. If you have any small publishable items you think would be appreciated by our community, please email me at newsletter@townandcountrynaturists.com.au

Please be aware that a link to an email address or to our website is underlined.

President's Message

Hi,

Michael here, your recently appointed president. Isn't this newsletter a great way for me to introduce myself to you and to keep you updated about all our events for each month of the year.

Please feel free to call me on our president's line if you have any ideas, concerns or issues or if you'd just like to introduce yourself and have a chat. Thursday is the best day for me to answer any missed calls or to discuss your queries or needs. The mobile phone number you can reach me on is 0468 822 676.

Since becoming TCn President, we have started our Friday and Saturday 'couples' and 'single ladies' swim gathering on the North Side of Brisbane.

We are also trialling a couples and ladies swim on the only "5th Sunday" of the year which gives us 4 Sundays to trial attendances.

I wish to convey a big thank you to Janet for taking on the mammoth task of compiling our newsletter for every month and getting it out on the last week of each month from here on.

I also wish to send out a big thank you to Miranda, who will be our ladies naturist contact for future newcomers and ladies discussion contact. This number will give ladies a safe contact point to discuss any ideas, concerns or issues. Miranda may be contacted on 0485 686 833 and if she's not available through the week she will certainly get back to you on Thursdays as well.

We look forward to an expanding membership, guest list and most importantly a "safer places, safer people" club for all true naturists.

World Naked Bike Ride Byron Bay 2026

Town and Country naturists club was represented at this prestigious event; all of our members finished the race! Sadly, Byron Bay has since been caught in heavy rains and flooding. So much of our beautiful country is suffering from our tumultuous March weather.

The World Naked Bike Ride supports and encourages awareness by motor vehicle drivers that others use our roads too: bicycles, scooters, pedestrians generally and especially our vulnerable children as they walk to or from school, sporting events, etc.

If you are interested in participating next year [use it or lose it], dust off your bicycle or support a local bike shop to buy one and hit the road – it might be an idea to practise with textiles at this stage rather than showing your ... potential. Remember, clothing optional, helmet compulsory.

Treasurer's Message

Hello to you all in the Town and Country Naturists group.

My name is Mark and I'm your current Treasurer going forward towards a happier healthier financial naturist body.

Since our new committee has taken on our jobs, we have been forging towards a simpler, easier run club and it's already starting to pay off.

We've already had a rise in numbers at our swim gatherings at Ipswich and the ten-pin bowling at Logan and we're striving to have more guests and members along in the future.

This means that you benefit more from your membership fees and your entry fees to our events and funds raised will be able to be used to give back to you in various ways to make our gatherings much more enjoyable and fun.

We are working on making our website easier to navigate, plus a survey for those who wish to contribute their ideas about social activities for the club.

We're enjoying working towards a bigger better club and we're looking forward to a brighter future in the nude.

All the best,
Mark; Treasurer.

If you haven't yet seen the survey and wish to complete it to benefit all our club members, please click [HERE](#) and you will be taken to the site.

A Hidden Gem in Childers: Our Stay at GG's Naturist Resort

If you are looking for the perfect spot to strip back the stress, GG's Naturist Resort in Childers Qld. is a cracker of a destination. From the moment you arrive, you're greeted by Gayle's sunny smile as she shows you through the facilities and guides you to your site. The grounds are easily accessible whether you're towing a caravan, pitching a tent with a small car, or opting for a bit of extra comfort with their glamping setup.

Once you're settled, the pace of life slows down beautifully. You might spend an hour wandering the bush walks before taking a refreshing plunge in the pool, or simply sit back and watch the local birdlife, ducks and the very shy Misty the horse wander by. It's a fantastic place to explore the local area too, with several wineries and historic Childers sites just a short drive away.

The heart of the social life at GG's is the clubhouse, which overlooks the lake and offers a massive range of activities – everything from snooker and air hockey to board games, darts, and even a nine-hole golf course. Social hours are a real highlight; around 3:30 pm, the card games kick off, followed by everyone gathering at 5:00 pm with nibbles and a glass of wine to watch the kangaroos feeding as the sun sets over the water. We were lucky enough to be there during a birthday celebration, which turned into a brilliant DIY pizza night! With showers that open out to the beautiful Australian bushland, GG's truly embraces the naturist lifestyle.

Whether you are a solo traveller, a couple, or a family, it is a welcoming environment that makes it easy for shy partners to feel right at home.

Strip Back and Strike!

Birthday Suit Bowling!

Looking for a morning out that's a little more... liberating? Whether you're a seasoned naturist or curious about shedding the clothes for the first time, **Birthday Suit Bowling** is back, and it's easily our most vibrant social night of the year!

Forget the stuffy layers and come as you are to the lanes in Logan. It's all about relaxed vibes, cheeky competition, and meeting a fantastic mix of people. We're seeing more couples and solo adventurers joining the fold, making it the perfect low-pressure environment to enjoy some social nudity.

Why You'll Love It:

- Free Nibbles:** Every lane is stocked with snacks to keep your energy up;
- The Challenges:** Our MC, Kaz, keeps the energy high with fun bowling challenges throughout the night.
- Prizes & Glory:** Whether you're a pro or haven't picked up a ball in a decade, there are prizes for top scores and challenge winners.
- Pure Fun:** As one first-timer put it: "I haven't bowled in years, and doing it this way is so much more fun. I'm definitely coming back!"

Save the Date

Lanes fill up fast (usually three per lane for a great social buzz), so don't wait to secure

your spot. Tickets are roughly **\$39 to \$45** (depending on your membership status), covering your games and snacks.

Join us at 10:30am on the fourth Sunday:

- in May, 25th
- in August, 23rd
- in November, 22nd

Murder mystery

Dead popcorn discovered at the Friday 27th March swim night; who killed it? Hint: major suspect is immediate past president, Kerry. Could this be a candidate for Kerry's Klassics column? We would love to share any humorous stories about being caught nude (really, you cooking without an apron? Ouch!) or amusing anecdotes of naturist events. Please send your articles or discreet photographs to newsletter@townandcountrynaturists.com.au and you might win a prize for your efforts. Kindly advise whether you prefer your first name to be published or a pseudonym.
