President's Message

Hi to all our members,

Winter has arrived and our club events slow down a little. We are using this time to refresh our website and facebook pages so check them out as they become available and please remember they are works in progress. There is a lot going on behind the scenes to help us manage your club even better than before.

Our Ipswich Skinny-dip is this Sunday 14th June at 1 Martin Street so enjoy the sausage sizzle and share in the community spirit. It's a great day. Pencil in the next one too for Sunday 12th July.

Later this month we will email a membership renewal notice but you can find the renewal codes on the next page here if you don't want to wait. Maybe friends would like to join too and share in the fun so they can use the new member code.

You can always contact us by phone or use the message form on the website contact page.

Best regards,

Michael
President, TCN Inc.

This is a special community notice

Bundaberg and District Naturists

Date Claimer.

There will be an inaugural meeting of Bundaberg and District Naturists with a view to the setting up of a new group in this area. The first meeting will be held at an address to be provided to genuine attendees. I will DM you direct with the address about 1 week before.

This meeting, to be held on Saturday 20th June 2026, will discuss all matters re activities and how we should proceed as a new Naturist Club in the block. This meeting is only for persons living in the area. The meeting is set for 10am with a possibility of a pub lunch afterwards at Moore Park Beach Hotel.

Please DM to me with your acceptance and your location. If you have locked your profile and I cannot confirm where you live, no message will be sent. If you have a name such as Anonymous or pickled Pig or wandering Wombat, no message will be sent. I have received a number of persons interested, 35 in fact. Thank you. Let's now make this a reality.

Town and Country members, if you wish to be a part of this group, please DM me direct with your name, locality and contact details... FB preferred, email or phone number. I am on FB with the Bundy Bear beside me. Please note this for Bundaberg and District, so down to Hervey Bay, up to Rocky and out west within reason.

Thanks,

Brendan Smyth

If you are renewing your current membership [which remains at \$40 for the financial year 1st July 2026 to 30th June 2027], this is the code for you!

Should you be a new member, this next QR code will help you become part of our delightful and welcoming group. You will pay a little more for the first year to help allay set-up costs: we're worth it!
